

World Environment Day Celebration Report

Date : 6. Jun 2022

Place : VSIS campus

Eco club of VSIS conducted an awareness program in VSIS School campus on the occasion of The World Environment Day. The event was organised on 6.06.2022 for the primary and high school students, with the theme " Only one Earth ".

The main objectives of the program was to make the students aware of the hazards caused due to Deforestation, pollution of various types of natural resources & saving the natural resources and to encourage the students to grow more trees. Apart from this, to change their attitude towards the nature, motivate the students to take environment-friendly steps in their daily routine was also the motive of this program.

Highlights of the program:

- 1) The assembly of the students and the staff members began at 7.30 am with prayer.
- 2) An awareness rally on the topic " Save Environment " was taken out in Tunganar area. Students of various array from Grade 1 to 10 marched crossing Tunganagar Main Road, holding the pluck cards displaying various environment related topics which were prepared under the supervision of the eco-club members. The rally continued around Tunganagar and Andhrahalli main roads shouting the slogans to protect the environment.
- 3) Saplings of various plant species were donated to the public during the rally.
- 4) On this occasion, few municipality labourers were honoured on behalf of the school. As a token of respect, saplings were donated to the labourers.
- 5) The principal of VSIS, Mrs. Kalpana addressed the assembly giving an insight to the students about the contribution of the municipality labourers in keeping the environment clean and disease-free .She also stressed upon the role of students in conservation of the environment.
- 6) Students planted few saplings in the school campus too.
- 7) Students from various grades delivered speeches on various environmental issues such as pollution of air, water and soil ,causes, effects, Deforestation and the remedies to the issues.
- 8) Various cultural activities such as a skit with a message - ' Protect the forests, they will protect you' and a dance with a message ' Save the earth ,which is only one for us to live' were performed by the students.

9) Presence of the School management and the parents enhanced the charm of the program.

10) The program was concluded with the National Anthem.

We thank our teaching staff for organising this special event in the school, extending their support and training the students in all dimensions. We also thank all the students and parents for their active participation. We whole heartedly thank the management for all the support in making this event successful.

Thank you
